

Practice Recruitment Overview

EVGPT welcomes ‘Expression of Interest’ (EOI) from General practices across our footprint. EVGPT strives for an equitable distribution of practices and is committed to supporting in particular, rural areas of workforce needs. Each training post with EVGPT must demonstrate how it meets and continues to meet all applicable standards. The below framework should be read in conjunction with [‘Becoming a GP Training Post with EV – Information Document’](#), the [EV website](#) as well as the following resources prior to submitting an EOI.

[AGPT policies](#)

[RACGP policies](#)

[ACRRM policies](#)

[EV policies](#)

Accreditation	Community Need	Location	Supervision	Training & Education Culture	Experience	Employment
